What happened?
On April 25, 2015, a 7.9-magnitude earthquake struck Nepal. More than 4,500 (still counting) people have died, with thousands injured and many missing. Numerous historical and world heritage sites have been destroyed. An avalanche in the base camp of Mt. Everest left several campers dead.

What is the situation now?
Per capita income of Nepal, as of 2012, is $656.2 (UN data). This devastation has led to the destruction of buildings, infrastructures, and homes, which will further pull the economy downwards.

WHAT YOU CAN DO!
SEBS-NA (Society of Ex-Budhanilkantha Students - North America) has devised plans to help and donate money to the people who have been affected. SEBS-NA is a Section 501(C)(3), charitable organization. The federal Tax ID for SEBS-North America is 54-1998889 which is in good standing with IRS reporting since 2000. It has previously partnered with World Bank, EduVision, and Clean-Up Nepal for various fundraising and social causes. It is also one of the organizations that does not charge any fees or have admin fees for donors. For the earthquake relief, they will partner with SEBS in Nepal to appropriately distribute the funds. The money collected will be used to assist with the disaster relief which will include, among other things, providing necessary medical supplies, tents, and food supplies to those that have been affected. Any funds left will be used for long-term rebuilding that focuses on the educational needs of needy children.

SEBS-NA is the North American division of SEBS-Nepal that is an alumni group of Budhanilkantha School. Samikshya Pandey of Class ’18, who is from Nepal, is also an alumn of Budhanilkantha School and is working with SEBS-NA and SEBS Nepal for this project.

Other organizations you can donate to:
- AmeriCares
- CARE
- Catholic Relief Services
- Direct Relief
- GlobalGiving
- Save the Children
- Seva Foundation
- UNICEF
