From its position as a top-ranked independent, coeducational liberal arts college of 2,601 students, Furman University takes great pride in its impressive 750-acre campus, its gifted student body, its distinguished and active faculty, and in the many notable accomplishments of its alumni. Furman emphasizes engaged learning, a hands-on, problem-solving and collaborative educational philosophy that encourages students to put into practice the theories and methods learned from texts and lectures. Committed to sustainability, diversity and the education of the whole person, the university provides a distinctive undergraduate education encompassing the humanities, fine arts, social sciences, mathematics and the natural sciences, and selected professional disciplines.

Furman University
Undergraduate Evening Studies

In this competitive marketplace, education is a powerful asset. At Furman, we understand that adults maintain busy lives, often balancing career and family responsibilities while attending school.

With convenient class schedules, simplified registration and a reduced fee structure, we’re eliminating many of the barriers that have traditionally prevented adults from attaining the education they want and need.

Courses are offered in two locations—Furman’s main campus and the University Center of Greenville. We offer majors in business administration, accounting, dual business and accounting, as well as a pre-CPA track and a pre-MBA track, for those students preparing to take the CPA exam or those who are entering a master’s program.

Furman Undergraduate Evening Studies can provide you with a quality education that is both accessible and affordable. For more information, please contact us at 864-294-3160 or e-mail Brett Barclay at <brett.barclay@furman.edu>.

About Undergraduate Evening Studies (UES):
UES serves the educational needs of all students by giving them the opportunity to achieve a BLA (bachelor of liberal arts) with majors in accounting, business administration or both. Graduates from the Undergraduate Evening Studies program take the CPA examination, apply to MBA programs or enter the marketplace in one of the many accounting and business fields.

As a student in the UES program, you will:
- Receive a breadth of experiences in the liberal arts
- Develop a major field of study
- Choose a large number of courses which are most appropriate to your particular interests
- Effectively utilize previous college credits

Admission Requirements:
- Completed application and $25 application fee
- College transcripts (cumulative GPA of 3.0 at a 4-year institution or 2.5 at a 4-year institution)*
- High school transcripts (unless you possess a 2 or 4-year college degree)
- Must meet with the assistant director of Continuing Education
- Applicants under age 21 must submit SAT or ACT scores
- Writing sample (required for all prospective students; used to assess intellectual capacity)
* Letter of recommendation required for students who wish to apply but are below the minimum GPA. Please contact Brett Barclay at 864.294.3160 for additional options.

Transfer Coursework:
- All courses must be at a C-3 grade or higher.
- Transfer courses are evaluated by UES and Academic Records.
- UES offers an unofficial credit evaluation free of charge for any student interested in applying.
- Maximum of 64 hours of credit transferable from two-year institutions and 80 credits from four-year institutions

Cost and Program Information:
- $347 per credit hour (2019-2020)
- Students qualifying for financial aid must be enrolled in at least six credit hours or more.
- Application fee: $25
- No lab fees for natural science or computer science courses
- Each class meets one night a week from 6-8:45 p.m.
- Traditional 15-week semester (fall, spring, summer)
- Students can take one to four courses (0-12 credit hours) per semester.
- A student taking four courses (12 hours) is classified as full-time.
- Approximately 60% of our classes are held on the Furman campus. The remaining 40% are held at the University Center of Greenville on Pleasantburg Drive.

Support Services:
- Career Services
- Academic support and free tutoring
- Academic advising through Undergraduate Evening Studies
- Use of Furman Fitness Center

For a complete evaluation of transfer credits, please contact Brett Barclay at 864.294.3160 or <brett.barclay@furman.edu>.

Course Enrollment and Academic Majors:
- Average class size is 12
- Accounting
- Business Administration
- Dual—Accounting and Business Administration
- Pre-CPA—Individualized set of courses based on the accounting (or business) courses needed to sit for the Certified Public Accountant examination and for licensure.
- Pre-MBA—Individualized set of courses based on what the student needs for admission to an MBA program.
- Non-Degree/Professional Development—Courses taken on an individual basis as needed by the student.
- Courses may be taken for professional development purposes, for transfer back to another institution, or for continuing education credit for professional licensure or certification. Courses may also be taken for personal life enhancement.

Advising:
- Advising appointments are available in person, by phone and via email.
- We seek to assist students in achieving their professional as well as their academic goals.
- A Learning Styles Assessment is available to those interested, and study skills counseling is also available by appointment.

Financial Aid:
- Federal aid is available to those who qualify. (Some scholarship money is available to degree-seeking students after completion of their first semester)
- UES has three scholarships that are given to students based on need and academic achievement. (These scholarships range from $200 to $800 and students may apply more than once.)
