Furman Peer Tutoring
Instructions for finding a specific tutor

1. Log into your MyFurman Account
2. Click the Success at Furman link in the middle column. You will be prompted to log in again using your Furman information.

3. Welcome to your Success at Furman! Click the Home button in the top left to go to your dashboard.
4. Along the left click the tab for your courses. If everything you have ever taken is showing up, be sure the filter just above the list is set to the current term.

5. Under each course you should have an information tab for your faculty contact, and a service tab that says Find a Tutor.

6. Click Find a Tutor (NOT SCHEDULE APPOINTMENT).
7. A list of tutors available for your ALL of your classes will appear. Under their name are the courses they are available to tutor, and to the right is their time availability. Click Schedule an appointment to select a time with a particular tutor.

8. On their calendar screen, you may select a time and add yourself to their calendar by clicking the Sign Up button at your desired time.

9. Fill in appropriate information, and once submitted, you will receive an email confirming your appointment, including meeting details.
