Reflection on Instruction and Student Learning

General Information

Candidate

Subject/ Grade Level

School

Lesson Topic/ lesson plan (please include lesson plan with submission)

Date

Lesson Description

This lesson was a part of which unit? Did this lesson fall near the beginning, middle, or end of the unit? (APS 2.b)

Lesson Objectives

What were the objectives? How well do you think your students understood the overall purpose and relevance of the instruction? (APS 2.a)

Teaching Strategies

What effect did your teaching strategies have in terms of promoting student learning and keeping your students meaningfully engaged? (APS 5.a, APS 7.b)

Assessment

How did you assess student learning during the lesson? What were the results? (APS 3.a, APS 3.b)

Feedback

What types of feedback did or will you provide to the students regarding their performance, and why? (APS 3.c, 7.c)

Classroom Environment

In what way(s) and to what extent did the classroom environment impact your instruction, either positively or negatively? (APS 8.a, 8.b, 8.c, 9.a)
**Subsequent Instruction**

*What decisions did you make regarding subsequent instruction for these students, and why?*

**Changes**

*If and when you teach this lesson again, what changes, if any, will you make, and why? (APS 2.c, 5.a, 10.e)*

**Self Assessment**

*What did you learn as a result of teaching this lesson? (APS 2.c, 3.b, 7.a, 10.e)*
