**Bus riding tips**

* ALWAYS make sure to tell the driver your final destination so he/she can help you.

*If you plan to transfer to another route, tell the bus driver so that he/she can give you the correct price.

*When you are ready to get off the bus, pull the cord located along the sides of the bus to indicate to the driver that you wish to get off at the next stop.

*Be sure to check the times for each route to make sure that the bus will pick you up when you are finished with your activity. Otherwise, you will have to call a friend or a taxi.

*Have exact change ready when you get on the bus. You will have to put it into a machine before you take your seat.

*Remember that if the bus is full, it is proper etiquette to offer your seat to someone who might need it more than you. (ex. Elderly, handicapped, pregnant, someone carrying a heavy load or a small child.)
