#4 What would make the entire process of obtaining carpet for your room much easier?

- a. Having a choice between five convenient sizes of pre-cut carpeting.
- b. Carpet that is bound and comes in a variety of colors.
- c. Carpet that is delivered directly to your room **before** you arrive on campus in September. Delivery will take place on August 20.
- d. ALL OF THE ABOVE: ORDERING CARPET FROM COLLEGE CARPET.**

Note: Because of the expense of custom fitting carpet to each room, the carpets come in standard sizes which may or may not provide a wall to wall fit. The student is responsible for unrolling and installing the carpet in the room. If the student fails to take delivery of the carpet, College Carpet will mail a refund (minus a \$35 restocking fee) to the student. Actual carpet dimensions may vary by a few inches.

There is no deadline on carpet orders. Call 1-800-793-9488 for further information, custom orders, or different color/size choices. You will be asked to leave a message, and we will return your call promptly. If you mail your order after August 14, please call College Carpet to confirm that your choice is available for delivery on August 20.
