RE: Preparing for Camp

We are excited about having your child attend one of our summer 2015 academic enrichment programs: Microscope, Kaleidoscope, Telescope. Following are explanations of the forms that are required and a few reminders designed to provide your child a good experience at camp.

**Forms - Please complete and return by Friday, May 22, 2015.**

1. Camper Information Form
   This form is required and your child cannot be admitted to camp without it. In addition to the routine information requested on the form, if your child needs to take any medications while on campus, you should submit written instructions regarding dosage. If there are special learning or other needs of which we should be aware, please note that information or contact me. Please complete all sections of the form, marking “N/A” where appropriate; blank sections will delay processing of your child’s registration.

2. Acknowledgement and Release Form
   This form is required and your child cannot be admitted to camp without it. Again, please complete all sections.

3. T-shirt Order Form
   Your camper will receive one Scopes camp t-shirt for each camp registration. We regret that we are unable to accommodate late orders or exchanges. If we do not receive your choice of size by the deadline, we will order your child an average size. He/she does not need to wear the shirt each day.

4. Computer Use Policy form – for Kaleidoscope campers only
   This form is required for Kaleidoscope campers who choose to use the computer lab as part of their academic enrichment experience.
Camp
The two basic rules of our academic enrichment camps are: Be safe! Have fun! Your camper should dress casually and comfortably for camp (t-shirts and shorts recommended).

Each day your child should bring the following to camp:
- A bag lunch with drink (We do not allow the use of campus vending machines and the PalaDen Food Court is not available.)
- A light snack if desired
- Swimsuit and towel (Swimming is a daily activity but, in order to ensure the safety of our participants, pool closure will occur if there is lightning within a 6-8 mile radius.)
- A backpack is recommended but not required
- Extra towel or blanket for quiet time (if desired, for Microscope only)

Please do not bring the following:
- Money
- Toys, trading cards, video games or electronic items/cell phones
- Science or nature items (check with teacher first!)

Children will be greeted by staff persons daily at the Riley Hall drop-off point beginning at 8:45 a.m. Unless registered for early arrival, please do not arrive before 8:45. Campers may be picked up only by authorized persons.

Unless registered for late stay, please be prompt to pick up your child at 4:30.
Pick up at the Doughboy Statue beside the Physical Activities Center for all camps on all days. If there is inclement weather, pick up will be from in front of the PAC.

If your child needs to be dismissed early or is to be picked up by anyone else, that information must be provided in writing in advance to the teacher. If you have questions, or in case of emergency, please contact Furman’s Summer Programs office at 864-294-2390.

Please be reminded of the following cancellation policy: Cancellations must be requested in writing, and must be received by Furman’s Summer Programs office more than thirty calendar days before the start of the relevant session in order to be processed. Upon cancellation, tuition payments made will be refunded, less a $100 per-session non-refundable administrative fee.

We are confident that your camper will benefit from and enjoy the days with us.

Forms are due by Friday, May 22, 2015:
- T-shirt order form
- Camper information form
- Consent/General release form
- Kaleidoscope computer use form
