Preparing for Advising Meeting

• Who is my advisor?
• What is the purpose of this meeting?
• How do I prepare?

• We will dive deeper into the preparation aspect so you get the most out of your advising meeting
Think about high school...

• Were you automatically registered?
• Did you know what you needed to take?
• Did someone TELL you what to take?
  • Guidance office

• Different in college! We have major requirements, and GERs, but the rest is in your control
Preparing for Advising

• Reach out to your academic advisor
  • You MUST to meet with them to be cleared to register for classes

• Be prepared:
