Acknowledgment

Successful participation in the Public Health Major requires more than just completion of coursework. Public Health Majors are required to participate in co-curricular activities including substantial community engagement (e.g. volunteer service hours, service projects, and summer capstone experience between Junior and Senior year) and *successful* completion of three semesters of 'Seminar in Public Health,' a semester long, non-credit bearing course.

☐ By checking this box, I confirm that if I am accepted into the Public Health major, I will commit to completing the aforementioned co-curricular activities.

☐ By checking this box, I agree to the following three statements.

- I agree that I will abide by Furman's Integrity Pledge and maintain its high standards of integrity and honesty.
- I certify that this application is my own work.
- I agree to allow the Application Committee to access my Furman University Course Credit Summary and Degree Checklist.
