

Lead 4 Success[™] moves leaders from average to high performing by developing the 4 fundamental skills (**self-awareness, learning agility, influence, and communication**) that leaders at any level need to master for success.

Lead 4 Success[™] is a robust 16-hour training program representing the essence of the Center for Creative Leadership's (CCL[®]) leadership content. Using CCL's time-tested approach to leadership development, we incorporate:

- Experiential activities to learn through doing
- A **safe environment** for all participants to practice new behaviors
- Peer-based learning to encourage collaboration and drive
- Proven leadership models from the top-ranked Center for Creative Leadership

What You'll Learn:

- Use the principles of self-awareness to make **conscious decisions about leadership behaviors** that contribute positively to your brand and reputation.
- Continuously **identify opportunities for growth through learning agility** behaviors of seeking, sense-making, internalizing, and applying.
- Increase leadership influence by building trust and leveraging networks to lead others in your chosen direction.
- **Effectively communicate** through active listening, gathering and delivering feedback, and creating a vision that others hear and remember.

Program Approach

The program uses CCL's time tested approach to leadership development, as well as several research-based, easy-to use tools to ensure learning transfer:

- 1. Leadership Map: a personal poster documenting goals, insights and overall personal leadership journey.
- 2. Key Leadership Challenge: a challenging leadership situation, like a personal case study, participants use to apply the Fundamental 4 competencies.
- **3.** Assessment: a research based self-assessment tool that helps shed light on participants' areas of opportunity and strengths (a benchmark of 48 behaviors across fundamental four skills).
