

## MAKING AN INTERNATIONAL TUITION PAYMENT FROM CHINA JUST GOT EASIER!

Flywire has an extensive China Global Collections network to provide exceptional service for Chinese payers. The payment experience can be translated into Chinese, and local China Customer Support is available round the clock.

### DOMESTIC TRANSFER IN RMB (CNY)

Supports any bank in China.

### ALIPAY

Supports an Alipay account. Alipay supports net banking, e-wallet, and several other funding methods. There is no telegram fee, handling fee or other intermediate bank fee incurred.

For cards issued in RMB.

### E-BANKING

Supports Net-banking for 22 Chinese Banks. Amount restrictions based on bank and customer account.

### WECHAT PAY

Supports a WeChatPay account that is connected to other accounts such as banking, e-wallet, and credit cards. When you are paying from the bank account linked to your WeChat, please note the issuing bank has set the payment limit.

### CHINA UNIONPAY

Supports Net-banking for 22 Chinese Banks. Amount restrictions based on bank and customer account.

For WeChat payment method, we recommend that you install the WeChat payment digital certificate. This certificate will increase your WeChat wallet payment limit from 10,000CNY to 50,000CNY, and it can also improve your payment safety. Contact Flywire Customer Support for additional help with the digital certificate.
