Min-Ken Liao
Biology Department

Part I. Create a quiz

Before we start, two things that have made my life easier:

- 1. I have all my quizzes in Word documents and I just copy and paste questions to Moodle.*
- 2. Create a trial quiz first for students to try and for me to practice.*

Log in. Click here to select a course for the quiz.

The screenshot shows the Moodle dashboard for a user named Min-Ken Liao. At the top, there is a navigation bar with the Furman Moodle logo, a 'My Courses' dropdown menu, and a notification bell. Below the navigation bar is a large banner image featuring a purple flag that says 'The FURMAN ADVANTAGE'. To the right of the banner is a 'Customize this page' button. The main content area is divided into two sections. On the left, there is a 'Recently accessed courses' section with three course cards: 'BIO-301-01 Fall 2019 - Day', 'BIO-501-03 Fall 2019 - Day', and 'ART-124-01 Spring 2020 - Day'. On the right, there is a 'Calendar' section showing a calendar for March 2020. The calendar has a grid with days of the week (Mon, Tue, Wed, Thu, Fri, Sat, Sun) and dates (1-31). The date 4 is highlighted in red, and the date 15 is highlighted in green.

I will have a quiz for this class. Click the class.

This screenshot shows the same Moodle dashboard as the previous one, but with the 'My Courses' dropdown menu open. The menu lists various options: Dashboard, The Shi Center for Sustainability, BIO-301-01 Fall 2019 - Day, ART-124-01 Spring 2020 - Day, Biology Major Information, POL-101-04 Fall 2019 - Day, BIO-501-03 Fall 2019 - Day, TFA-Student Transformation, The Furman Advantage, PCI Training, BIO-503-03 Fall 2019 - Day, FDC Commons, BIO-502-08 Spring 2020 - Day, and Academic Advising. The 'BIO-301-01 Fall 2019 - Day' course is highlighted in red. The 'Recently accessed courses' section now shows three cards: 'BIO-301-01 Fall 2019 - Day', 'ART-124-01 Spring 2020 - Day', and 'Biology Major Information'. The 'Calendar' section remains the same, showing the calendar for March 2020 with the date 4 highlighted in red and the date 15 highlighted in green.

The screenshot shows the Moodle interface for the course 'BIO-301-01 Fall 2019 - Day'. The top navigation bar includes the Furman Moodle logo, a settings gear icon, and a green square button with a pencil icon. A red callout bubble labeled 'Click here' points to this button. Below the navigation bar is a banner image of a lake with a clock tower. The course title 'BIO-301-01 Fall 2019 - Day' is displayed, along with a breadcrumb trail: 'Dashboard / My courses / BIO-301-0120D1'. On the right side, there is a 'Course Blocks' button and a user profile for 'Min-Ken Liao'.

The quiz activity enables a teacher to create quizzes comprising questions of various types, including multiple choice, matching, short-answer and numerical.

The teacher can allow the quiz to be attempted multiple times, with the questions shuffled or randomly selected from the question bank. A time limit may be set.

Each attempt is marked automatically, with the exception of essay questions, and the grade is recorded in the gradebook.

The teacher can choose whether if this, feedback and correct answers are shown to students.

Quizzes may be used

- As course exams
- As mini tests for reading assignments or at the end of a topic
- As exam practice using questions from past exams
- To deliver immediate feedback about performance
- For self-assessment
