Federal regulations allow Furman University to apply your Title IV Federal Financial Aid funds (Pell Grant, Federal SEOG, and Direct Loans) only to **current academic year institutional charges** (such as tuition, student fees, room, and board) unless you have granted permission for the University to apply these funds to pay **non-allowable charges** (such as bookstore charges, housing damages, library fines, and parking fines) as well. Federal Financial Aid funds do not include scholarships from the University or other private organizations.

Please check one of the options below:

____ **I DO** authorize Furman University to apply my Federal Financial Aid funds to any **non-allowable** charges on my student account. I understand this authorization will take effect from the date this form is received and will remain in effect for all subsequent years that I am a student at Furman University. I understand that this authorization may be cancelled at any time by notifying the Office of Financial Aid in writing; however, my cancellation will not be retroactive to charges I incur before notice of cancellation is received.

____ **I DO NOT** authorize Furman University to apply my Federal Financial Aid funds to any **non-allowable** charges on my student account. I understand I will be responsible for paying any outstanding balance to Furman University, which means that I may receive a refund as well as a bill for charges that could not be paid with my Federal Financial Aid funds.
