In the space below describe the interdisciplinary nature of your proposed topic and how the selected courses will contribute to that topic.

APPROVAL PAGE

By signing this document I affirm

- 1) that I have discussed this proposal with the student;**
- 2) that to the best of my knowledge, the courses in this IDM proposal from my department will be offered before the student will graduate; and**
- 3) that the student is, through fulfilling prerequisites or other requirements, eligible to take those courses.**

Department Chair	Date	Department Chair	Date
-------------------------	-------------	-------------------------	-------------

Department Chair	Date	Department Chair	Date
-------------------------	-------------	-------------------------	-------------

By signing this document I affirm

- 1) that I have discussed the student's list of proposed courses both before and after they met with the relevant department chairs;**
- 2) that I have reviewed and approve the student's proposal statement; and**
- 3) that I endorse the educational merit of this HUM IDM proposal.**
