

## Uninstall Citrix Receiver - Windows

**Date:** August 12, 2020

**Primary Contributor:** Kyra Cox-Everhart

- Open the Add or Remove Programs control panel – click your windows menu, and type “Add or Remove Programs”
- Scroll down the list of apps until you see “Citrix Receiver.” Click the application and choose “Uninstall”
- Follow the prompts to uninstall the software.
- Reboot your computer when the uninstall is complete.
