WE ARE THE *ULTRA-CURRICULAR*

WE ARE THE GO-GETTERS.

ACHIEVERS OF FEATS, SOLVERS OF PROBLEMS

AND MAKERS OF WONDER.

WE SEEK A PLACE THAT NURTURES OUR CURIOSITY

AND DRIVES US TO CHASE OUR DREAMS.

FURMAN IS THAT PLACE,

WHERE EVERY STUDENT IS PROMISED

A FOUR-YEAR PATHWAY OF HIGH-IMPACT

ENGAGED LEARNING THROUGH RESEARCH,

INTERNSHIPS AND STUDY AWAY,

GUIDED BY A TEAM OF MENTORS.

THE ADVANTAGE—A MEANINGFUL LIFE AND CAREER.

THIS IS THE FURMAN ADVANTAGE.

PREMIER LIBERAL ARTS AND SCIENCES UNIVERSITY

Founded in 1826, Furman University offers rigorous academics, broad research opportunities, a robust visual and performing arts program, and NCAA Division I athletics. Students live and learn on a campus that is internationally recognized for its traditional beauty and modern facilities. At the heart of the university's academic experience is The Furman Advantage.

THE FURMAN ADVANTAGE

The Furman Advantage guarantees every student an unparalleled education that combines classroom learning with real-world experiences and self-discovery. This integrated four-year pathway, guided by a diverse community of mentors, prepares students for lives of purpose and accelerated career and community impact—demonstrating in concrete terms the value of a Furman education.

CLASSROOM LEARNING

Premier academic programs and teaching are our foundation. In small class sizes, students are taught by renowned faculty, not their assistants.

ENGAGED LEARNING EXPERIENCES

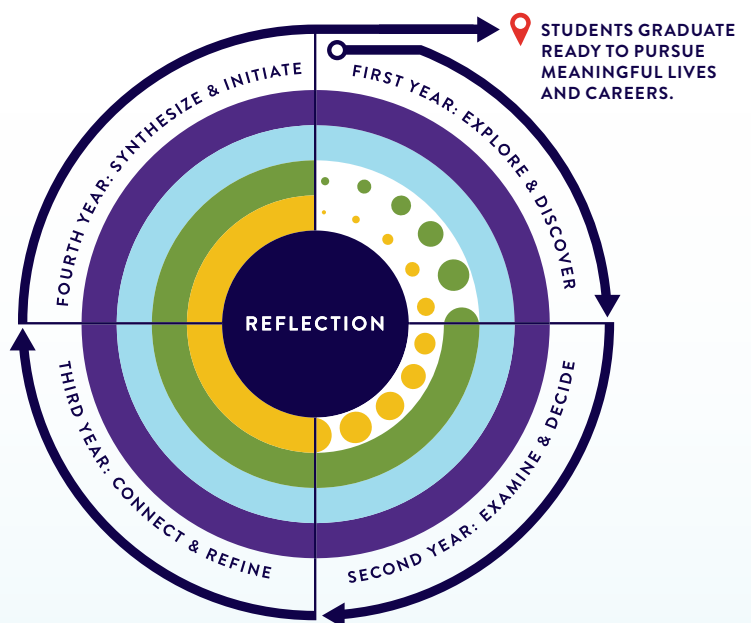

Students connect work to meaningful experiences, such as research, internships and study away and community engaged learning projects.

MENTORING AND ADVISING

For all four years, students have access to a community of advisors and mentors who will answer and ask questions, and help guide them along their path.

INTENTIONAL REFLECTION

Students are encouraged to develop habits of reflection so that they are able to make informed decisions, tell their story, and graduate confident and prepared for life beyond college.

- Classroom learning
- Engaged learning
- Mentoring and advising
- Career/post-grad exploration and preparation

The Furman Advantage is supported by \$52.5 million in grants from The Duke Endowment.

FULFILLING OUR PROMISE

These aren't empty promises. Along the way, we carefully track and meticulously assess student, academic and advising successes.

Furman has partnered with Gallup to study the impact of our undergraduate experience and measure the effectiveness of our signature approach to education, thanks to a \$2.5 million grant from The Duke Endowment.

GREENVILLE, SC

An award-winning city, Greenville is nationally recognized as a model for urban development and continues to top lists of destinations to visit. Spend just a few days here experiencing these tree-lined, foot-friendly streets and enjoy a touch of southern hospitality. It's easy to see why people want to learn and live in Greenville.

Graduates who had "experiential
and deep learning" have a higher
likelihood of being engaged in
their work, and more are thriving.

—GALLUP

If graduates strongly agree that
they were "emotionally supported"
during college, the odds that they are
engaged in their work and thriving in
their overall well-being double.
