

# Developing Discursive Dispositions

Curious about Furman's speech climate and what is needed to promote robust and productive discourse on social and political issues? What role does truth telling, empathy, and accountability play in this effort? Join the *On Discourse* co-directors for brief program update and a facilitated conversation to be a part of developing ODI's signature discourse dispositions. Your voice matters to *On Discourse!*

**MARCH 12, 2025**

**4pm-5:15pm**

**Trone 208-Thomas Room, Trone  
Student Center**
