

Senior Leaders Greenville

Questions You Might Have

****Please read before completing your application.**

Do I have to be an OLLI member?

No. This program is open to all seniors in Greenville.

Do I have to have a college degree to sign up for Senior Leaders Greenville?

No. You just need to have an interest in learning more about your community and getting involved.

What does the \$350 fee include?

Nine day-long education sessions with experts, activists and community leaders; lunch each day; transportation to some off-site locations;; orientation and graduation receptions; and all class materials.

Are scholarships available to help me pay the fee?

Up to 10 scholarships are available. There is a box on the application form to indicate your need.

Can I get a refund?

Your serious commitment to the program is important and for that reason no refunds will be given after September 6 (one week before the start of the program).

Do I have to attend all the classes?

We understand missing a class can sometimes be unavoidable. But if you miss more than two sessions you will not be able to graduate and become a member of Senior Leaders.

Where will these programs take place?

Some will be located on the Furman Campus and others will be held at sites in the community relevant to the topic for that day.

When are the sessions?

There is an orientation in August, and course sessions are on the second Friday of each month, September through May.

Who is administering the program?

Osher Lifelong Learning Institute @ Furman staff along with a Steering Committee comprised of SLG graduates will administer the program.

Why do I have to fill out an application form? How will they be judged?

It is important to know that an applicant has an interest/passion for senior issues, and that they actively want to get involved in helping to address the special issues, problems and opportunities of "seniorhood." A team of staff and volunteers will review each application. The questions are designed to help them select a diverse and dedicated class.

What is expected of me when I graduate?

Senior Leaders Greenville graduates will become advocates and change-makers, representing the senior population in many ways. You may decide to join a board; advocate for an issue; lobby legislators; attend civic meetings and speak out for seniors; serve on a planning commission; run for office; start a new business for seniors; or something else of your own creation.

APPLICATION FOR SENIOR LEADERS GREENVILLE
Due June 15, 2019
