For Wi-Fi, choose the network named “MyResNet” (for 5Ghz devices) OR “MyResNet Legacy” (for 2.4Ghz devices).

1. Open a browser – you will be redirected to MyResNet splash page.

2. Select “Click here to continue.”

3. At the bottom of the page, copy and paste “MAC address” into a word document. You will need that later.

4. Click “Create an account.”

5. Fill in your information.

6. Select “Add devices.”

7. Select your device and input mac address. You will need to do this for all your devices.

8. Restart device.

Contact support@MyResNet.com for additional assistance.
