GRANTS:

Grant number 43542 (Julie M. Linton, P.I., 11.1% effort)

Awarded: June 2015

Dates: July 2015-January 2017

Funder: AAP Community Pediatric Training Initiative (CPTI), Community-Pediatric Partnerships for Child Well-Being

Funding, \$35,000 over 18 months

By establishing meaningful partnership between our pediatric residency program and existing community-based systems, we aim to prevent repeat teen pregnancies, support healthy teen pregnancies, build resilience among teen parents and their children, and develop a workforce with commitment to sustained community engagement and population health.

Role: Principal Investigator

Collaborators: Laurie Albertini, M.D., Soren Johnson, M.D., Ph.D., Stephanie Daniel Ph.D.

Grant number: 102100-668888

Awarded: July 2016

Dates: July 2016-September 2018

Funder: AAP CPTI, Carolinas Collaborative

Funding: \$75,000 over 3 years

The purpose of this program, which includes all 8 pediatric residency programs in NC and SC, is to create and strengthen authentic community partnerships through community-driven projects, enhance pediatric training curricula, enhance leadership in pediatric residency programs and departments, and to sustain strong regional collaboration.

Collaborators: Laurie Albertini, M.D.

Awarded February 2019

Dates: April 1, 2019 – October 1, 2019

Eat Smart Move More SC

Project: Nurturing Healthier, Successful Latino Students

Funding: \$4,800

Role: Principal Investigator

This grant sought to explore opportunities to better support the health and wellbeing of Latino families with children who attend Greenville County schools with increasing Latino populations.

Grant number: 102100-668620

Awarded: September 2017

Dates: September 1, 2017 – August 31, 2020

Funder: Robert Wood Johnson Foundation Culture of Health Leaders Program

Funding: \$60,000

Role: Principal Investigator

Co-led by the National Collaborative for Health Equity and CommonHealth ACTION, this program supports the professional development as an emerging leader, with an emphasis on cross-sector collaboration to promote health equity. This program includes curriculum that emphasizes equity, diversity, and inclusion; change management; and effective communication; offers support for a strategic initiative to advance equity at local levels.

Grant number: 76102

Awarded: December 2018

Dates: December 15, 2018 – June 14, 2020

Funder: Robert Wood Johnson Foundation

Examining How State Pre-emption Laws and Protective Municipal Laws and Policies Impact the Health and Well-being of the Immigrant Latino Community

The goals of this study are to examine the consequences of state preemption of protective municipal laws and policies on the health and well-being of immigrants through (1) a national legal analysis of state preemption laws, (2) a profile of municipal laws and policies affecting the Culture of Health for immigrants, and (3) community-focused qualitative research of the effect of state preemption on the Culture of Health for Latinx immigrants in municipalities previously identified as sanctuaries.

Funding: \$5,000/year my role in this project

Role: Consultant

Principal Investigators: Scott D. Rhodes, Ph.D., M.P.H.; Mark Hall, J.D., M.P.H.

Awarded May 2019

Dates: July 1, 2019 – December 31, 2020

AAP CATCH Grant, Igniting Community-Engaged, School-Based Latino Health

Funder: American Academy of Pediatrics

Funding: \$10,000 over 1 year

Role: Principal Investigator

Collaborator: Kerry Sease, M.D., M.P.H.

This grant sought to build upon qualitative data obtained from a seed grant to explore opportunities to better support the health and wellbeing of Latino families with children who attend Greenville County schools with increasing Latino populations.

Awarded October 2019

Dates: October 1, 2019 – September 30, 2020

Culture of Health Leaders Program Strategic Initiative

Funder: Robert Wood Johnson Foundation

Advancing Health Equity through Multi-level, Cross-Sector Capacity Building for Equitable Immigration-Related Policy and Practice

Funding: \$35,000

This strategic initiative incorporates cross-sector, multi-level capacity to support health equity for Latinx families. I will collaborate with colleagues from diverse sectors, including health, education, and legal sectors, working via my roles with the American Academy of Pediatrics (AAP), PASOs (organization that seeks to build a stronger South Carolina by supporting Latinx communities), and

the USC School of Medicine-Greenville. My priorities include: (1) education and advocacy regarding immigration-related policies, (2) healthcare workforce development, and (3) access to critical services, including healthcare, education, and legal representation.

Awarded June 30, 2020

Date: May 2021

Racial Health Equity in South Carolina: Catalyzing Change

Funding: \$5,000 for 3-day visiting professorship with Dr. Rhea Boyd

Prisma Health Upstate Pediatric Residency Program and Med-Peds Residency Program

Collaborators: Lochrane Grant, MD; Rhea Boyd, MD, MPH

This Rome Visiting Professorship (RVP) ignited crucial conversations and include content about: 1) common language around equity, diversity and inclusion (EDI); 2) the health impact of structural racism and oppression; 3) under-represented minorities in medicine (URM); and 4) the “preschool-to-prison pipeline” as a foundational example of racial inequity impacting children and families in our community.

Awarded November 2020

Duke Endowment

Dates: January 1, 2021 – December 21, 2022

\$750,000

Role: Medical Consultant

Community Health Workers: Igniting Community-Driven Health Equity in Response to COVID-19

To expand PASOs, a model that employs Community Health Workers to deliver culturally appropriate services and resources to improve health outcomes among Hispanic families in the community.

Awarded October 2019

Dates: October 15, 2019- April 15, 2022

Build Health 3.0

Robert Wood Johnson Foundation

Funding: \$126,582

Role: Consultant

Creceer La Confianza, Creceer La Salud (Build Trust, Build Health)

This grant takes a deep dive into the root causes surrounding our elevated youth BMI rates among Hispanic Youth in Greenville County, in partnership with LiveWell Greenville and the Hispanic Alliance.

Awarded October 2019

Dates: November 1, 2019 – November 1, 2022

Bridges to Excellence: Improving diverse students’ transitions college-med school

Funder: Fullerton Foundation

Funding: \$300,000 over 3 years

PI: Kathryn M. Andolsek MD MPH (Duke University SOM)

Role: Co-investigator

Other Collaborators: Duke University Master in Biomedical Sciences Program (Maureen D. Cullins AM Christie T. McCray BS); USC School of Medicine Greenville (Paul Catalana MD MPH; Julie M. Linton, MD; Christen Hairston, PhD; Brenda Thames EdD; Ann Blair Kennedy, DrPH); ECU Brody SOM (Milton T. Bond MSA; Cedric M. Bright MD; Kendall M. Campbell MD)

Bridges to Excellence (BTE) creates a novel partnership among Duke University School of Medicine, the Brody School of Medicine at East Carolina University, and the University of South

Carolina School of Medicine-Greenville to open a new avenue for talented college students from underrepresented populations to enroll and succeed at leading medical schools in the Carolinas.

Awarded March 2021

Dates: April 1, 2021 – March 30, 2022

Community Health and Health Disparities in Pediatric Respiratory Virus Infections with SARS-CoV-2 and RSV in Upstate South Carolina

Funder: Health Sciences Center Seed Grant

Funding: \$20,000

PI: Jennifer Grier, PhD; Brooks McPhail, PhD (Co-PI)

Role: Co-Investigator

Other Collaborators: Ann Blair Kennedy, PhD (Co-I); Nicholas Potisek, MD (Co-I), Brian Woods (Medical student); Zachary Jasper (Medical Student); Mills Johnson (Medical Student)

Awarded March 2022

Dates: April 2022-March 2024

Children in Immigrant Families: Advancing Health Equity, *Academic Pediatrics* Supplement Issue

PI: Peter Szilagyi, MD, PhD

Funder: Robert Wood Johnson Foundation

Funding: \$80,000

Role: Guest Editor

Collaborators: Olanrewaju Falusi, MD (Guest Editor); Lisa Fortuna, MD, MPH (Guest Editor)

Awarded 2024

Dates: 12/2024-6/2026

NASPGHAN Child Nutrition and Health Equity White House Challenge Award

Nourishing a Diverse Hispanic/Latino Community with a Culturally Relevant Plant-Based Approach to Addressing Pediatric Obesity and Metabolic Associated Steatotic Liver Disease

Funding: \$5,000

Role: Co-Investigator

Collaborators: Blakely Amati, MD; Erin Brackbill, MD; Jon Markowitz, MD; Sebastian Villacis; Faith Hicks

EDITORIAL POSITIONS:

2014 – 2019	Abstract reviewer, Pediatric Academies Society Annual Meeting
2014 – 2022	Abstract reviewer, American Academy of Pediatrics National Conference and Exhibition
2018 – Present	Ad hoc reviewer, <i>Academic Pediatrics</i>
2018 – Present	Ad hoc reviewer, <i>Pediatrics</i>
2019	Guest Editor, International Migration: Caring for Children and Families. <i>Pediatric Clinics of North America</i> 66(3). 2019
2019 – Present	Ad hoc reviewer, <i>JAMA Pediatrics</i>
2022 – 2024	Invited Guest Co-Editor. Children in Immigrant Families: Advancing Health Equity, <i>Academic Pediatrics</i> Supplement Issue. Publication anticipated July 2024
2023 – Present	Ad hoc reviewer, <i>Hospital Pediatrics</i>
2023 – Present	Ad hoc reviewer, <i>Academic Emergency Medicine</i>
2025 – Present	Ad hoc reviewer, <i>Journal of Hospital Medicine</i>

MAJOR TEACHING RESPONSIBILITIES (Current):

Undergraduate Medical Education

Didactic lectures, clinical teaching and supervision, and project mentorship for students at USC School of Medicine Greenville

Graduate Medical Education

Didactic lectures and clinical mentorship for outpatient general pediatrics, advocacy, and quality improvement experience for pediatric and medicine-pediatric residents at Prisma Health

MAJOR CLINICAL INTERESTS AND RESPONSIBILITIES:

Clinical interests

Community pediatrics

Immigrant child health

Children with special healthcare needs

Publicly insured, underinsured, and uninsured children

Health equity

Clinical responsibilities

Outpatient primary care pediatric practice, average 4 sessions/week (provider and clinical supervision of medical students and residents)
