Team Discussion

February, 2011

How do we help/reach/assist folks who are disenfranchised people?

Where do people go who have “fallen through the cracks”?

Is there an organization locally or nationally “doing it right”?

Can we do a project that can be replicated in other communities?

How can we find a project to get our hands dirty?

Can we reach mentally ill and challenged people?

How do we reach homeless people who are suffering through this recession?

Should we find an organization who needs help?

Who needs assistance in “filling in the cracks”?

Triune Mercy Center

“Triune Mercy Center is a non-denominational mission church that ministers with and alongside the homeless. Located near downtown Greenville, SC, Triune serves both marginalized and affluent Christians.”

Reverend Deb Richardson-Moore

Triune Mercy Center

Thou preparest a table before me in the presence of mine enemies: thou anointest my head with oil: my cut runneth over. Surely goodness and mercy shall follow me all the days of my life and I shall dwell in the house of the Lord forever. Psalm 26.

Questions and comments?

A society grows great when old men plant trees whose shade they know they shall never sit in.
