The Prisma Health Mobile Mammography Unit will be on campus this month!!

**Prisma Health will have a self-contained, 42-foot RV on campus which will provide state-of-the art digital mammography screening services.**

**Dates:** Thursday, June 27th from 8:30am to 3:00pm & Friday, June 28th from 7:00am to 1:30pm

**Location:** Chapel Parking Lot  *note change of location*

Furman’s medical plan through Blue Cross Blue Shield (BCBS) does cover 3D mammograms. As a reminder, now that our BCBS medical plan is fully-insured, eligibility is based on guidelines below.

For those not covered on Furman’s BCBS plan, please check with your insurance provider before screening for plan eligibility and coverage for a 3D screening mammogram.

Please follow the instructions below to schedule an appointment

1. Make your appointment with Prisma Health by calling **864-522-9729**
2. Provide the following information:
   - Location: Furman University
   - Appointment date desired: June 27th or June 28th
   - Upstate Mobile Mammography clinic

**Eligibility guidelines for screening mammography:**
- 35+ years old (BCBS State allows only 1 screening mammogram between ages 35-39, women under age 40 must have a current physician)
- No breast problems such as distinct lumps, nipple discharge, redness or enlarged breasts
- Can use the clinic stairs and stand for 10–15 minutes without help

**Other Important Details:**
- Each mammogram typically takes about 15-20 minutes.
- **Bring your insurance card and picture ID to your appointment.**
Please follow these guidelines to prepare for your mammogram:

- Wear a two-piece outfit.
- Do not put lotion or powder on your breasts or underarms.
- Do not wear perfume.
- Apply deodorant sparingly.

If you have any specific mammography questions, feel free to email Prisma Health Mobile Mammography at Mobile.Mammography@prismahealth.org or call 864-455-9800. For more information regarding the Mobile Mammography, visit the Prisma Health website at https://www.prismahealth.org/mobile-mammography/.
