Health Sciences Major Requirement Checklist Updated 03/2024

A major in Health Sciences must complete 11 or more HSC courses listed below and must include:

- HSC-101, 201, 205, 210, and 211.
- Completion of American Heart Association Basic Life Support Course in HSC-201

| COURSE REQUIREMENT | COURSE NUMBER $\mathrm{L}=\mathrm{Lab}$ | PREREQUISITES HSC 101 is a prerequisite for all other HSC courses except HSC 205. | TENTATIVE COURSE SCHEDULE $F=$ Fall, $S=$ Spring, $\mathrm{Su}=$ Summer | TERM COMPLETED | FURMAN GRADE <br> EARNED OR <br> TYPE OF CREDIT |
| :---: | :---: | :---: | :---: | :---: | :---: |
| CORE |  |  |  |  |  |
| Wellness Concepts | HSC-101 |  | F, S, Su |  |  |
| Research \& Evaluation in Health Sciences | HSC-201 (L) ${ }^{\dagger}$ |  | F, S |  |  |
| Fundamentals of Public Health | HSC-205 |  | F, S |  |  |
| Anatomy \& Physiology I | HSC 210 (L) |  | $\mathrm{F}, \mathrm{S}, \mathrm{Su}$ |  |  |
| Anatomy \& Physiology II | HSC-211 (L) | HSC-210 | F, S, Su |  |  |
| Electives |  |  |  |  |  |
| Motor Development | HSC-221 ${ }^{\dagger}$ |  | F |  |  |
| Analysis of Human Performance | HSC-230 | HSC-201 (Recommended not required) | F |  |  |
| Scientific Principles of Coaching | HSC-242 |  | Su, Sp |  |  |
| Scientific Principles of Training | HSC-244 |  | F |  |  |
| Chronic Disease: Epidemiology and Prevention | HSC-300 |  | S |  |  |
| Physical Activity and Public Health | HSC-302 (L) | HSC-205 | F (odd no. year) |  |  |
| Environmental Health | HSC-304 ${ }^{+}$ | HSC-201 | F, S |  |  |
| Global Public Health | HSC-305 ${ }^{\dagger}$ | HSC-201 and HSC-205 | F, S |  |  |
| Nutrition and Public Health | HSC-306 (L) | HSC-205 |  |  |  |
| Health Systems, Services and Policy Administration | HSC-307 | HSC-205 | F |  |  |
| Exercise Epidemiology | HSC-308 ${ }^{\dagger}$ | HSC-201 | F |  |  |
| Physiology of Exercise | HSC-311 ( L$)^{\dagger}$ | HSC-210 | F, Su |  |  |
| Fundamentals of Physical Rehabilitation | HSC-313 | HSC-210 | S |  |  |
| Fundamentals of Nutrition | HSC-315 | BIO-111, CHM-110, or HSC-211 | F, S |  |  |
| Kinesiology | HSC-323 (L) ${ }^{\dagger}$ | HSC-201, HSC-210 and any MR course | S, Su |  |  |
| Analysis of Cardiovascular Function | HSC-331 | HSC-210 | F |  |  |
| Graded Exercise Test Practicum | HSC-332 | HSC-201 (Recommended not required) | S |  |  |
| Science of Aging | HSC-341 | HSC-211 | F (odd no. year) |  |  |
| Pathophysiology of Chronic Diseases | HSC-342 (L) | HSC-211 | S |  |  |
| Pathophysiology of Infectious Diseases | HSC-343 |  | F (even no. year) |  |  |
| Epidemiology | HSC-401 (L) | HSC-201 and HSC-205 | S |  |  |
| Sport in Modern Society | HSC-441 |  | F |  |  |
| Biomechanics | HSC-451 ${ }^{\dagger}$ | HSC-201 and any MR course | F, S, Su |  |  |
| Independent Study, Research, OR Structured Internship | $\begin{aligned} & \text { HSC-501 } \ddagger \\ & \text { HSC-502 } \ddagger \\ & \text { HSC-505 } \end{aligned}$ | HSC-501, HSC-502 Written outline of proposed study for staff approval in the prior term. | F, S, Su |  |  |

## *Important Degree Notes

Students may pursue a Bachelor of Arts (BA) or Bachelor of Science (BS) degree in Health Sciences. Students seeking a BS degree must successfully complete all General Education Requirements consistent with the BS degree. Students seeking a BA degree must successfully complete all General Education Requirements consistent with the BA degree. For brevity, primary differences between the BA and BS degree (natural world, mathematical reasoning, and foreign language requirements) are available below. Additional details are available in the university catalog.

All students must complete two courses in the empirical study of the natural world, at least one with a separate laboratory component (NW and NWL). Bachelor of Science degree candidates must complete this requirement in courses appropriate for majors in the natural science (courses numbered 110 or greater in Biology, Chemistry, Earth and Environmental Science, Neuroscience, Physics, Sustainability Science) disciplines.
Natural World Requirement (Two courses in the empirical study of the natural world)

| COURSE | TERM COMPLETED | FURMAN GRADE |
| :---: | :---: | :---: |
|  |  | EARNED OR TYPE OF CREDIT |
|  |  |  |

All students must complete a course in mathematical and formal reasoning (MR). Bachelor of Science degree candidates must complete Mathematical Reasoning requirement with a calculus course numbered 150 or greater. Students seeking the Bachelor of Science may also fulfill the requirement by completing both a calculus course and a statistics course which each fulfill the mathematics and formal reasoning general education requirement.
Mathematical Reasoning Requirement

| COURSE | TERM COMPLETED | FURMAN GRADE |
| :---: | :---: | :---: |
|  |  | EARNED OR TYPE OF CREDIT |
|  |  |  |

All students are required to complete a course numbered 201 or greater in a foreign language discipline (FL). The only exception exists for Bachelor of Science degree candidates beginning in the 110 course (Elementary I) who are required to complete a course numbered 120 (Elementary II) or greater in one of the same disciplines.
Foreign Language Requirement

## Important HSC Footnotes

${ }^{\dagger}$ HSC Course with General Education Requirements designation. The General Education Requirements include 11 courses to meet the Core Requirements and 2 courses to meet the Global Awareness Requirements. The following HSC courses may be used within limits to satisfy the 11 courses meeting Core Requirements: 101 (MB), 201 (HB), 221 (HB), 305 (WR), 308 (WR), 311 (NWL), 323 (NWL), 451 (WR). For the B.S. degree, students cannot use $311 \& 323$ to satisfy the NWL requirement; however, students seeking a B.A. degree may use 311 and 323 to satisfy the NWL requirement. Each course can fulfill only one core requirement. No more than three courses in the same department may be used to satisfy the Core Requirements. Two following HSC courses can be used to meet Global Awareness Requirements: HSC 304 (NE) and HSC 305 (WC). Courses fulfilling a global awareness (NE, WC) requirement may also meet core, major or interdisciplinary minor requirements. However, a single course may not be used to fulfill both global awareness requirements (NE and WC).
$\ddagger$ HSC-501, 502 , and 505 may be taken for variable credit. However, only one four-credit 500 -level course ( 501,502 or 505 ) may be used to satisfy the HSC major requirements. Students may enroll in HSC-505 only once. Twelve credits of 500-level courses may contribute to the 128 credits required for graduation.HSC-502 requires that a student has taken HSC-201.

Notes: The Department of Health Sciences also offers courses such as HSC-102, HSC-151, HSC-152, HSC-153, and HSC-503. These courses do not meet HSC major requirements. HSC 210 and HSC 211 must be taken at Furman University.
